GENERAL UNDERTAKINGS AND CONDITIONS

All riders, teams, officials and other parties participating in the FIM Trial World Championships undertake on behalf of themselves, their employees and agents, to observe all of the following provisions of the current year, as supplemented and amended from time to time (hereinafter collectively referred to as the “FIM Regulations”):

1. FIM Sporting Code
2. FIM Trial Regulations
3. FIM Trial Technical Regulations
4. FIM Disciplinary and Arbitration Code
5. FIM Environmental Code
6. FIM Medical Code
7. FIM Anti-Doping Code
8. FIM Year Book
9. FIM Organiser’s Manual
10. FIM Code of Ethics

The FIM Regulations may be translated into other languages, but in case of any dispute regarding interpretation the English text will prevail.

It is the responsibility of each rider and/or team to ensure that all persons involved with their entries observe the FIM Regulations at all times. The responsibility of the rider, or any other person having charge of an entered motorcycle at any time during an event is solidary and together engaged with the team.

All persons concerned in any way with an entered motorcycle or present in any capacity whatsoever in the Paddock and Course areas, must carry an appropriate pass at all times during the event.

Actions judged by the officials responsible to be contrary to the FIM Regulations - or judged to be unsportsmanlike or against the best interests of the sport or the event in question - are subject to disciplinary actions as provided by the Arbitration and Disciplinary Code.

All above mentioned documents can be found at:

5.11 Course

1. The course should be in one direction only. If, in exceptional circumstances, two-way traffic or use of the same course as the public is unavoidable, then the organiser must put in place specific safety measures. He must ensure the permanent presence of officials throughout the competition at certain points on the course and if required.
2. When the event is held on a closed circuit, it must be possible for the riders to complete the course (from the Paddock to all Sections and back) without the use of public roads (unless closed for general traffic with permission from the authorities and guarded by police or officials).
3. In case of Force Majeure and for safety reasons the Race Direction, under the acceptance and the responsibilities of the organiser, can modify the Course.

5.11.1 Distance

1. The course will consist of 2 laps, each of a length not exceeding 20 km. A length over 10 Km is advised.
2. In the case of two days of Competition, the same course shall be used for both days.

5.11.2 Course marking

1. The course shall be marked with direction arrows as shown below:

2. The section number will be written within the white square marked “?”. The red directional arrow indicates to the riders the course which they must follow.
3. All arrows must be made of waterproof material.
4. The course marking must all be completed before the visit of the Sections by the riders.

5.12 Sections

1. Each Section shall be completely independent of other Sections and easily modifiable according to the weather conditions.
2. Different passages in sections must be developed for different categories.
3. Sections constructed predominantly with industrially processed elements or materials should be avoided and may be refused by the Race Direction.
4. Each Section shall have signs clearly identifying the location of both the “Section Begins” and “Section Ends”. Each Section must also be clearly numbered in consecutive order.
5. The Section marking must all be completed before the visit of the sections by the Race Direction/visit of the sections by the riders.
6. The “gates” will be placed at all areas where the width of the Section is reduced. Each gate must be indicated on the right and left 2 arrows of the same colour. The minimum width between these “arrows” is 120 cm. The riders must follow the corresponding coloured gates of their class.
7. Example TrialGP:

Front

Back

8. The gates will be:
 - Red for the FIM Trial World Championship “TrialGP”
 - Blue for the FIM Trial2 World Championship “Trial2”
 - Green for the FIM 125cc Trial Cup “Trial125”,
 - Purple for Women’s World Championship “TrialGP Women”
 - Green for the Women’s World Cup “Trial2 women” (not riding the same day as Trial 125)
 - Green for Trial-E Cup (Riding the same day as Trial125)
 - Red for FIM Trial des Nations
 - Blue for FIM Trial des Nations - International Trophy
 - Purple for FIM Women’s Trial des Nations
9. The riders must pass between each and every pair of gates of their class.
10. If any gate/tape/marker or stake is broken or removed or damaged then it must be replaced before the next rider enters the section. The Clerk of the Course must ensure that there is an additional supply of tape/gates and equipment available at each Section.

5.12.1 Security and level of the Sections

1. Before the Event, the CTRS and the Race Director have all powers for the validation of Sections.
2. They will take a decision concerning the level of difficulty as well as the safety and length of all Sections. Their decision is final and all modifications must be carried out immediately.
3. In case of Force Majeure or if it is considered that a Section is too difficult and/or dangerous and that the conditions do not allow for modification, it may be cancelled.
4. A minimum of half plus one of the number of Sections must be ridden by all riders in each of their respective classes/categories for the results to be validated.

5.12.2 Number of Sections

1. The number of Sections for all Championships and Prizes will be 15 with 2 laps. Each day of competition will consist of 30 sections in total.
2. Sections must always be ridden in numerical order, except for cases stated on article 5.11 Course. Sections could be ridden in a different order under the decision of the Race Direction. Only Race Direction can permit a change of the numerical section order.

5.12.3 Modification or cancellation of Sections

1. If, during the Competition, it is found necessary to abandon a Section owing to “force majeure” before all riders have passed through it, then no penalties shall be incurred in this Section by any rider. If there are riders in the queue for this Section, then the queue should be formed in the same order at the next Section. The total time for the event shall not be modified in the event of any Section being abandoned during the Trial.
2. Sections may be modified during the same Competition by Race Direction.
3. Information regarding modified sections must be communicated to the riders.

5.12.4 Observation in a Section

1. Sections are controlled by the Section Observers present.
2. Before the start of a rider in the Competition:
 - Access to the Sections must comply with Art. 5.5 “Visit of the Sections”.

3. After the start of a Rider in the competition:
 - The rider can remain at all times within the Section unless the Chief Section Observer does not permit him access.
 - Only the corresponding numbered rider's assistant (green bib) can enter the Section if the rider is about to enter and or is riding the Section and always only after asking for permission from the Chief Section Observer. No other persons are allowed inside.
4. Entering the Section:
 - A machine is considered as having entered a Section from the time his front wheel spindle has passed the fictitious line between the two "Section begin" signs. The front wheel must precede the rear wheel at all times.
5. Exiting the Section:
 - A machine is considered as having exited the Section from the time his front wheel spindle has passed the fictitious line between the two "Section end" signs. The front wheel must precede the rear wheel at all times.
6. Leaving the Section before the "end of Section":
 - A rider who fails in a Section must leave the Section as indicated by the observer.
 - If conditions permit the chief Section Observer may allow the rider to continue riding the same Section after having failed.
7. Obstruction:
 - An obstruction is deemed to have occurred when a rider, whilst attempting an observed Section, is prevented from making a bona-fide attempt due to some unauthorised obstruction. Should a rider claim obstruction, only the chief section observer may, at his discretion, allow a re-run of the Section. The chief section Observer's decision is final as to whether a re-run is permitted.
 - Should a re-run be granted, then the rider shall complete the full Section.

- Any penalty points lost prior to the point of obstruction during the original attempt will stand. These penalties will be added to any new penalties lost during the re-run, from the point of obstruction onwards to the end of the section.
